O suporte deve ser montado por uma pessoa especializada, porque se não for montado correctamente, pode cair e causar danos. **ATENÇÃO!** Os parafusos e ferragens para fixar o suporte à parede não estão incluídos. Escolha sempre os parafusos e ferragens apropriados ao material da sua parede e que tenham a suficiente capacidade de suporte. Verifique sempre a resistência da parede. Se tiver dúvidas, contacte um especialista.

EN
The support should be carried out by a qualified person due to the fact that wrong assembly can lead to that the support topples or falls resulting in personal injury or damage. **NOTE!** Screws or fittings to fix the support to the wall are not included. Always choose screws and fittings that are specially suited to the material in your wall and have sufficient holding power. Check suitability of wall or mounting surface to support the weight. If you are uncertain, contact your local specialised retailer.
